Re: Freedom of Information Act

Dear John,

I am seeking information under the Illinois Freedom of Information Act.

Specifically, under FOIA, I am requesting copies of any and all contracts between the village and Radco Communications Inc., of Glendale Heights, from 2001 to present.

The documents show should show how much Elmwood Park paid Radco under each contract and also what equipment and/or services the payments covered.

This information is for a possible news story. I ask that you waive fees as the law allows. I ask that you convey this information electronically, via email if possible. Please reach out on the phone or via email with any questions or needs for clarification. Thanks for your consideration.

Regards,
