Ms. Reifsnyder

Thank you for the response but I think the Village misunderstood my request.

My request included copies of all notices (whether posted, published, or provided on-line) regarding aall meetings, not just regular monthly meetings. For example, notices concerning budget and levy meetings, public hearings, etc. I assume these exist.

Use provide them or, if no such notices exist, please confirm so I know they do not exist.

Call me if any questions.

Thanks.
