Joe,

It was a pleasure speaking with you. This e-mail will just memorialize our telephone conversation in which you will schedule an appointment with the Village Manager to review approximately 400 pages of documentation in response to your request in lieu of the Village making copies of the documents. At that time, you can decide what documents you would like copied and if you have any questions the Village Manager will be happy to answer them. As discussed, please contact me and let me know when you are available to meet with the Village manager or contact Elsie Sutter directly to make the appointment. Please contact me should you have any questions or concerns.

Thank you,

Peter

I am happy to reduce the burden and copying costs by inspecting the records instead of taking possession of copies.

I will contact Elsie Sutter directly to schedule an appointment. Jay Dalicandro's presence is welcome, but not required, as I do not expect to have questions during my initial review.

Please feel free to contact me if you need anything else and thank you!
