Format: we prefer to receive records in an electronic format.

Please also provide any and all documentation related to such electronic records, including but not limited to data dictionaries, database documentation, record layouts, code sheets, data entry instructions, and similar printed or electronic documentation materials.

Please respond within 5 working days, as the state of Illinois' Act provides, or notify me if "unusual" or "exceptional" circumstances apply (as the Act uses those terms). If you decide to withhold an exempt portion of any record, please release all other segregable parts. If you withhold any record or portion of a record, please specify which statutory exemptions are claimed for each withholding. Please separately state your reasons for not invoking your discretion, as the Act allows, to release the requested information. Please describe each record withheld, including its date and size (e.g., amount of electronic memory or number of paper pages). If there are any search, review, or duplication fees greater than \$25, inform me before you fill the request. But first please consider the Better Government Association's requests for fee reduction and fee waiver:

The Better Government Association is a 501(c)(3) tax-exempt charity, and therefore this request should be exempt from all fees for search and review.

In addition, the Better Government Association requests a waiver of all duplication fees for this request as permitted under the Act.

Please respond via email acknowledging receipt of this request. If you have any questions or comments, please contact me via email or phone.

Sincerely,

James Edwards
