Dear Sir,

My name is Ronald E. Utsler and recently on April 20; I learned by a summons of a pending order of protection. I am requesting the information contained in the previous police report by Lena Pizzo. I am asking for this information under for this ~~Freedom of Information Act~~ Freedom of Information Act. I know that certain words will be deleted to protect the victim. I am also aware that I should not enter your town. If allowed by a phone message, I would like to pick-up these reports at the Elmwood Park Police Station. This is only because of the short time period before the order of protection hearing.

Sincerely yours,
Ronald E. Utsler
