Subject: FOIA Request for Police records
Attachments: FOIA Request_Elmwood Park PD (Moss 09-06-2011).pdf

I have been having some push back by the outer county sheriff's about providing photos of the arrestee as asked for in this request so below is from the AG's website so as not to delay the response:

• When someone is arrested, the police must disclose the arrestee's identifying information (see 5 ILCS 140/2.15). This information is not exempt under Section 7(1)(c).

FURTHER GUIDELINES

Arrest Reports And Criminal History Records - Section 2.15

- Under Section 2.15(a) of FOIA, police departments must make arrest reports public no later than 72 hours after the arrest. The 72-hour provision in this section provides for quicker release of these documents than the normal 5-day FOIA timeline. Once the 72 hours pass, however, the arrest reports still must be disclosed. (See Public Access Opinion 11-001).
- Section 2.15(b) of FOIA (5 ILCS 140/2.15(b)) states that public bodies must provide criminal history records if the records are: (i) court records that are public; (ii) records that are otherwise available under State or local law; or (iii) records in which the requesting party is the individual identified, except as provided under Section 7(1)(d)(vi).
- Photographs of arrestees must be disclosed
