"un-limited use of village vehicles 24/7 365 day "

Dear MS> Sutter,

This ia a request under the Freedom of Information Act (F.O.I.A.)

You referred to "Section 4:13.... Department Heads , and certain designated employees and the village manager are granted use of the village vehicles under a separate policy and or employment agreement which grants them this use of vehicles.

As a long time Elmwood Park resident I believe we,residents, should know what special agreement for the use of these "24/7 365 day un-limited use vehicles" was made..

I have a couple of questions:

1 Who are these certain designated Officials/employees ?

#2 What are the guide lines for the use of these vehicles , can they be used to do personal business with no restrictions ?

3. Is all gas, and maintenace and other expenses for these vehicles paid by the Village ??

Because these records are in the public interest,I ask that you waive any reproduction fees, if you deny this request, please tell me on what grounds, and to whom should I appeal ?

Waiting for your reply, Thank you.. Guy Squeo E-Mail guysqueo@att.net
