Re: Freedom of Information Act Request

Dear Mr. Rehkamp:

The Village of Elmwood Park is in receipt of your July 29, 2013, Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*) (hereinafter referred to as "FOIA") request for, "an electronic copy of the annual payroll records, as of the date of this letter." Per your electronic correspondence dated July 29, 2013, the Village of Elmwood Park reviewed its FOIA records and verified that it did not receive a previous FOIA request from you on June 26, 2013. Enclosed are records responsive to your FOIA request. However, certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7(1)(b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2(c-5). Consequently, certain unique identifiers, including employee identification numbers, have been redacted from the records being provided.

The person responsible for the decision to deny a portion of your request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko. In accordance with Section 9(a) of FOIA, you are hereby notified that you have the right to file a request for review regarding the
