Subject: FOIA REQUEST - POLICE

Good Afternoon,

I employed by the Sun-Times, a media company, and I would like to request arrest records/police blotters for MARCH 1 - 25 2013 that contain at least the following fields: name of person arrested, address of arrestee, type of crime, date/time, and address of crime. Any additional information would be great. Please advise.

Thank you

16-25
