Re: Freedom of Information Act Request

Dear Mr. Corkill:

The Village of Elmwood Park is in receipt of your September 6, 2013 Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*) (hereinafter referred to as "FOIA") request for the following records:

ALL RECORDS REGARDING REQUESTS FOR POLICE SERVICE OR OTHER POLICE CONTACT @ 2502 N. 73RD CT ELMWOOD PARK DURING 2012.

Enclosed are records responsive to your request. However, please be advised that certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7(1)(b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2(c-5). Consequently, certain unique identifiers, including employee identification numbers, home or personal telephone numbers, and home addresses, have been redacted from the records being provided.

Section 7(1)(c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy ..." is exempt from disclosure. Consequently, birthdates and other personal information, the disclosure of which would

constitute a clearly unwarranted invasion of personal privacy, have been redacted from the records being provided.

Section 7(1)(d)(iv) of FOIA provides that, “[r]ecords in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes ...” are exempt from disclosure, “but only to the extent that disclosure would: ... unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies” Consequently, information that would reveal the identity of persons who have filed complaints with or who have provided information to the Village of Elmwood Park Police Department has been redacted from the records being provided.

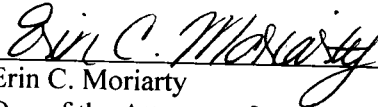

Section 7(1)(d)(vi) of FOIA provides that, “[r]ecords in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes ...” are exempt from disclosure, “but only to the extent that disclosure would: ... endanger the life or physical safety of law enforcement personnel or any other person.” Consequently, information that would endanger the life or physical safety of those who have furnished information to the Village of Elmwood Park Police Department has been redacted from the records being provided.

The person responsible for the decision to deny a portion of your request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko.
