

March 31, 2015

TO: Residents of Elmwood Park

FROM: Orion Galey
Resident Engineer

SUBJECT: 2014 Street Rehabilitation Project

On behalf of the Village of Elmwood Park, we are pleased to inform you that Phase 3 of the 2014 Street Rehabilitation Project is scheduled to begin on **Monday, April 6, 2015**. The following streets are scheduled for improvements:

- **77TH AVE** (MARWOOD AVE TO DICKENS AVE)
- **76TH CT** (MARWOOD TO ARMITAGE)*

The work will involve the resurfacing of roadways, drainage structure repairs (where necessary), new curb and gutter (where necessary) and alley approach aprons (where necessary). In areas in which new curb and gutter are being installed the adjacent area will also be replaced. This includes courtesy walks, driveway aprons and sod. Streets annotated with an asterisk (*) include some partial reconstruction which will include complete curb removal, new driveway aprons, and new courtesy walks. Work is expected to begin on Monday, April 6, 2015.

If you have a sprinkler system in the front parkway it is **VERY IMPORTANT** to inform Public Works at (708) 452-3945 and provide them with the information on the attached sprinkler system form.

To ease traffic congestion and allow for construction activity “No Parking” signs will be posted accordingly. When signs are posted, there will be **no parking** allowed on the street from 7:00 AM to 5:00 PM, and only local traffic will be permitted on the street.

We apologize for any inconvenience this may cause. If you have any questions or concerns please contact Orion Galey at (847) 833-0210 or Razvan Calin at (847) 533-3013 or Public Works at (708) 452-3945.

The form below must be phoned in or delivered (**DO NOT MAIL**) to the Village of Elmwood Park Public Works no later than **April 6, 2015**. If you do not notify Public Works by this date, and your sprinkler system is damaged, the Village will not be responsible for repairing the system.

Please phone in or deliver (do not mail)
