SUBJECT: 2015 Street Rehabilitation Project.

The 2015 Street Rehabilitation Project is scheduled to begin this week (April 23, 2015). The following streets are scheduled for improvements:

- 72nd Court (Caputo's Alley to Altgeld Avenue)
- Altgeld Avenue (74th Ave to Harlem Ave)
- Wrightwood Avenue (72nd Ct to 74th Ave)
- Schubert Avenue (73rd Ave to 74th Ct)
- 73rd Avenue (Schubert Ave to Wrightwood Ave)

The work will involve the asphalt resurfacing of streets, replacement of drainage structures (where necessary), new curb and gutter (where necessary) and alley approach aprons. Courtesy walks, driveway aprons and sod will only be replaced at areas in which the adjacent curb and gutter are being replaced. If you have a sprinkler system in the front parkway it is VERY IMPORTANT to inform Public Works at (708) 452-3945 and provide them with the information on the attached sprinkler system form.

To ease traffic congestion there will be **no parking** allowed on the street from 7:00 AM to 5:00 PM after the no parking signs have been posted on your block. We apologize for any inconvenience this may cause. If you have any questions or concerns please contact Orion Galey at (847) 833-0210.

The form below must be phoned in or delivered **(DO NOT MAIL)** to the Village of Elmwood Park Public Works no later than **May 1, 2015**. If you do not notify Public Works by this date, and your sprinkler system is damaged, the Village will not be responsible for repairing the system.

Please phone in or deliver (do not mail)
