August 30, 2013

Dear Resident:

We would like to notify you that Stage 1 of the 80th Avenue Flood Mitigation Project is nearing completion. Restoration of 80th Avenue between Sunset and Westwood is currently underway and will include the installation of new curb and gutter, new ADA compliant sidewalk ramps at all corners, grading of the street and paving of the asphalt binder course. This restoration is expected to be completed the week of August 5th and **the switchover of the traffic from Stage 1 to Stage 2 is expected to take place on Monday August 12th**. **Beginning August 12th, 80th Avenue will be closed from Belmont Avenue to Sunset. 80th Avenue south of Sunset will be opened once again to traffic.** New detour signs will be posted to direct traffic accordingly. We anticipate Stage 2 to be completed and 80th Avenue reopened by October 15th. We thank you for your patience and understanding throughout this project.

If you have any questions, please call Kim at 708-452-3914.

Thank you,

The Village of Elmwood Park
